

European Conference on Complex Systems ECCS '06

Towards a Science of Complex Systems

25-29 September 2006

Saïd Business School, University of Oxford

Satellite Workshops

Social and Historical Dynamics

Organisers: Douglas White (UC Irvine), Peter Turchin (Connecticut)

Webpage: [Workshop on Social and Historical Dynamics](#)

Complexity and Dynamics: Volatility and Stability in City and Regional Systems

Organisers: Peter Allen (Cranfield), Michael Batty (UCL)

Webpage: [Cities](#)

Complex Adaptive Systems and Interacting Agents

Organisers: Andrea De Martino (CNR Rome), Tobias Galla (ICTP Trieste), Enzo Marinari (Rome), David Sherrington (Oxford)

Webpage: [CASIA](#)

Multi-Agents for Modelling Complex Systems (MA4CS'06)

Organisers: Salima Hassas (Lyon), Giovanna Di-Marzo Serugendo (Birkbeck)

Webpage: [MA4CS'06](#)

Evolution, Emergence, Generation

Organisers: Rosaria Conte (CNR Rome), Mario Paolucci (CNR Rome)

Webpage: [Workshop on Evolution, Emergence, Generation](#)

GIACS/STREPS Forum of Complexity Scientific Research Projects

Organisers: Markus Kirkilionis (Warwick), Jeffrey Johnson (Open University)

Webpage: [GIACS/STREPS Forum of Complexity Scientific Research Projects](#)

Social and Ecological Networks

Organisers: Guido Calderelli (Rome), Albert Díaz-Guilera (Barcelona), Alessandro Flammini (IU Bloomington), Santo Fortunato (IU Bloomington)

Webpage: [Workshop on Social and Ecological Networks](#)

Optimisation in Complex Networks

Organisers: Paul Spirakis (Patras), Berthold Vöcking (Aachen)

Webpage: [Workshop on Optimisation in Complex Networks](#)

Networks, Computation, Communication and Applications (NCCA'06) - PhD Student Workshop

Organisers: Alex Ng (Oxford), Terrence Mak (Imperial), Ping-Chung Ng (Oxford), Janet Efstathiou (Oxford)

Webpage: [NCCA'06](#)

Industrial Workshop on Manufacturing and Supply Networks

Organiser: Janet Efstathiou (Oxford)

Webpage: [Industrial Workshop on Manufacturing and Supply Networks](#)

Embracing Complexity in Art and Design

Organisers: Jeffrey Johnson, Theodore Zamenopoulos and Katerina Alexiou (The Open University)

Webpage: [Embracing Complexity in Art and Design](#)

Pedagogical Issues in Multi-Agent Modelling

Organiser: Ken Kahn (Oxford)

Webpage: [Workshop on Pedagogical Issues in Multi-Agent Modelling](#)

Education and Training in Complex Systems

Organisers: Katerina Alexiou (Open University), Jeffrey Johnson (Open University), Theodore Zamenopoulos (Open University)

Webpage: [Workshop on Education and Training in Complex Systems](#)
